## Greater Value

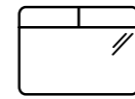

### Modern Headlamps

Daytime running lamps increase safety and visibility for surrounding vehicles and pedestrians

### Extra Deep Overhead Storage

Large luggage racks on both sides, useful for storing school bags, sports equipment, and personal belongings

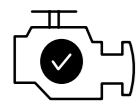

### Improved Large Windows

Large windows offer improved visibility with minimum opening to ensure safety for children

## Optimum Performance

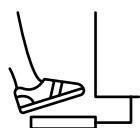

### Economical 4-cylinder Engine

Fuel-efficient 3.9L engine with SCR technology complies with Euro V emission standards

### High Performance Air Conditioning

Higher capacity air conditioner for increased passenger comfort

### Automatic Retractable Footstep

Low, auto-retracting footstep with anti-slip surface for easy access

### 37 Individual Seats With 3-Point Seat Belts

Extra seating capacity, more space per passenger, and increased safety with fire-retardant upholstery
