Pictures are used for illustrative purposes and actual vehicle may vary

**BLIND SPOT WARNING (BSW) /
LANE CHANGE ASSIST (LCA)**

This safety feature uses radar sensors in the rear bumper to detect vehicles in your rear blind spots, on the right and left sides. An indicator appears in the door mirror when BSW is active and the turn signals are off. When a vehicle is detected while the turn signal is on, an indicator blinks in the corresponding door mirror and a buzzer sounds.

**BLUETOOTH® HANDS-FREE KIT /
LINK SYSTEM**

Keep in touch while keeping safely in control with the hands-free kit. Link your Bluetooth®-compatible mobile phone, and the voice-activated dialer lets you make calls while holding the wheel.

EQUIPMENT

- 1 A/C control panel with silver dials
- 2 USB port & seat heater
- 3 Gearshift indicator panel
- 4 Smooth synthetic leather door trim insert

- 5 Cup holders
- 6 Side garnish (chrome/material black)
